

三文字パズルL (6)

角の文字を使って、縦横それぞれ単語を作ってね。

A 10x10 grid of squares. The squares are arranged in a 10x10 pattern. The squares at the corners of the grid are empty. The squares in the center of the grid, forming a 2x2 block, contain the Japanese characters 'は' (ha), 'ひ' (hi), 'ふ' (fu), and 'ほ' (ho) respectively. The characters are arranged in a 2x2 grid, with 'は' at the top-left, 'ひ' at the top-right, 'ふ' at the bottom-left, and 'ほ' at the bottom-right.
